

THE CLIMAX.

Wednesday, -- November 2, 1920.

Prof. Shelf coming. See local.

Richmond must have a steam fire engine.

March weather has been "on" for a week.

Monday was the poorest court day of the year.

Too much stock running at large upon the streets.

Mrs. Crandall is building a residence on Big Hill avenue.

The wheat continues to burn at the Bonanza Mills ruins.

A shotgun is better for a burglar than a pistol or the courts.

Mr. J. D. Perkins is building a residence on Hillside avenue.

Twenty-five thousand turkeys wanted by Forman & Lait. See ad.

The burglar is still on the loose, and the nearest way to find him.

Supper by the ladies of the Episcopal Church tomorrow evening from 5 to 10 o'clock.

Mr. Charles Taylor, of Red Lick, is now Deputy County Clerk for his uncle, Mr. L. H. White.

Get a shotgun and use it freely upon every fellow who find providing about your premises at night.

House thieves and burglars are entirely too numerous, and there must be both hanging and shooting done.

Squire Alberts Park is building a residence on his farm in Union precinct, and is putting on the roof.

W. T. Duerson and S. P. Ross have posted their lands and say when they have any hunting done they will let you know.

Mr. May Feldheimer, formerly of this place, has been appointed by the Governor of Ohio one of the Board of Public Work.

Mr. David Chenault, Sr., has removed with his family from College Hill to his new residence in the eastern suburbs of Richmond.

Circuit Clerk W. H. Miller's noted and-dishonest, "Old Mike," jumped on a picket yesterday, and killed himself. He was 15 years old.

Mr. John Thorpe, formerly Deputy County Clerk, is now in charge of Dr. Brail's coal yard near K. C. depot. Call and see him.

Mr. Geo. Horstman, Piano Tuner of Miles & Co., is now in this city. Order call at his store.

Charles Blythe's wife received a telegram Monday from the Columbia, Kentucky, stating that he had died and the body would be shipped to her.

County Clerk Hill's books show that the town last transferred for the month of October amounted to a little more than \$25,000, and a surplus of \$18,400.

It is not well as a rule to take the law into one's hands, but an exception should be made in the case of burglars—shoot 'em on the spot. Never go through the formality of taking them to jail.

Mr. Hall was one of the guards set to watch the exposed wheat at Bonanza Mills, Monday night. Frank Miller, colored, stole his pistol and overcoat, and is now in jail with 23 others.

Mr. R. R. Forman will open to-day a wholesale horse house with headquarters at W. H. Leitch & Co.'s warehouse. His first installment of horse from Lexington Roller Mills will be received by the 11 o'clock freight.

The K. C. depot offices at Richmond and Fort Estill have again been burglarized, but no money was found—only some clothing that belonged to other parties, and at Fort Estill the burglars were scared away, leaving the clothes.

The City Council should amend the ordinance by excluding them from Second street, between Main street and the gate of Madison Female Institute, as the girls are greatly annoyed on court days in going to and coming from school.

Mr. T. H. Harris, Jr., the prominent nursery man of Mt. Sterling, is in Richmond and vicinity, putting out large numbers of trees, shrubs, vines and roses. He carries an excellent stock, and thoroughly understands his business.

Prof. J. Roland Day, of Paris, representing Robert Clarke & Co., Cincinnati, will be recalled by many of the former teachers of Madison county, as having often attended the Teachers' Institute. He is now a member of the Louisiana Legislature.

Mr. Joel W. Embury had a surgical operation performed on his leg in a hospital in Cincinnati, last week, by which a longitudinal section of the thigh bone was removed. He has been troubled with white-swellings for a year or two. He is doing reasonably well.

Director Seary, Chenault and Harris returned on Sunday by special train from Louisville, where they attended a board meeting. They announce that the R. N. L. & E. to Richmond has been leased to the East Tennessee, Virginia and Georgia, and the remainder to Beattyville will also be leased as soon as completed. This puts Richmond on one of the strongest systems of railway in America.

Supper.

Thursday from 5 to 10 o'clock p. m., at the Laxon building on Main street, the ladies of the Episcopal Church will give a supper for the benefit of the church. Oysters, salads, celery, ices, cakes. You can take supper with the ladies instead of at home.

Horse Thief Caught.

C. T. Wells found his horse advertised in last week's CLIMAX. It was stolen and ridden by way of Foxtown to Bonanza and turned loose, its main and tail having been cut off. Mr. Wells put Constable P. B. Braddock and Turnkey Joel Parks on his trail, and he was caught in Clark and brought back Saturday. He proved to be a smooth "coon" known as Henry Clay McKinney. He is now residing in jail in default of a \$500 bond.

New Livery Firm.

Messrs. W. C. Gormley and H. C. Traynor have bought of Mr. Charles Hunley his brick livery stable on Chestnut street opposite the jail. Possession, December 1st.

This should prove a prosperous firm, as Mr. Gormley is thoroughly familiar with the saddle and harness business and buys at bottom figures, while Mr. Traynor knows all about feeding and handling of horses. They will do a lively, feed and shoe business, and the same address. Mr. Gormley will continue in the saddle and harness business, and Mr. Traynor in training and driving.

The Lilly-Wilson Killing at Irvine.

John M. Wilson, County Superintendent of Public Schools of Bell county, returned, and Dr. P. A. Lilly and his brother, Grant Lilly, attorney-at-law, engaged in mortal combat at Irvine yesterday, over the vote of a colored man. Wilson was shot by Dr. Lilly, and in turn shot the Doctor instantly, and then shot Grant Lilly, badly wounding him. Wilson was also shot. Mr. E. C. Park came down last night for Dr. Foster and telegraphed to Nicholasville for Dr. C. Lilly, a brother of the killed. The two Lillys have had several troubles, the past few months, and the affair of yesterday was no surprise.

Can't Down Us.

When a man puts his eye on Madison Monumental Works work, he will have no other, as evidenced by the appended paragraph from the *Sanford Journal*: "The case of G. G. Wine against Hon. J. S. Owsley for \$1,000 for a monument was heard until noon yesterday, when the Smith case having precedence, it was continued till next Monday. It will be remembered that there were two monuments shipped to Mr. Owsley, one by order of Mr. Wine and the other by order of Mr. W. F. Francis. Mr. Owsley took the latter and claimed that he had not given Wine any instructions to ship. Wine claims that he had a well-understood contract and the suit is to decide which is right in the matter."

Richmond's Big Sale of Lots.

The sale of 450 lots in the Dillingham addition to Richmond, advertised in the CLIMAX, by the Richmond Investment Co., the past two weeks, took place on last Wednesday. The day was one of a late March "swinger" but a calm autumn one. There was wind and rain and snow in succession.

There had been no advertising of consequence away from home, Richmond had not claimed every thing within a thirty-mile radius, nor was there a brass band and an imported orchestra. Just the lots sold and sold fast and for good prices, and there were no by-bids or other gerrymandering. Nor was there a lot withdrawn. Every lot put up went to the highest bidder. Nor did the deeds contain any promises of a thousand-and-one things to be done by the company to make the sales stick. There were the lots on reasonable terms, and they sold.

Three hundred and thirty-five lots for \$91,000, and the company has 115 left. The proceeds more than repay the company for the purchase price and the expenses of surveying, &c. The 115 lots are about as follows: 30 lots, \$500, 30 lots, \$1,000, 30 lots, \$1,500, 30 lots, \$2,000, 30 lots, \$2,500, 30 lots, \$3,000, 30 lots, \$3,500, 30 lots, \$4,000, 30 lots, \$4,500, 30
